Support or oppose implementation?	Support
Relevant Objective:	f) Positive
Relevant Charging Methodology Objective:	Not Applicable

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

WWU supports this modification as it provides a resolution to the issues that arose from the P1 CSS incident and the subsequent potential settlement impacts. This modification should offer a positive outcome for consumers affected by the incident. We believe this modification furthers Relevant Objective (f) as it allows the CDSP to undertake Settlement Adjustments as required and therefore this further promotes the efficiency of industry processes.

Implementation: What lead-time do you wish to see prior to implementation and why?

As soon as possible once approved by the authority.

Impacts and Costs: What analysis, development and ongoing costs would you face?

None

Legal Text: Are you satisfied that the legal text will deliver the intent of the Solution?
