Support or oppose implementation?	Support/
Relevant Objective:	f) Positive/

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

Because of the nature of this change, we support this modification. As per our response to UNC modification 0617, it would be preferable to have the UK Link manual delivered at a later date if the finished product is of a higher quality.

We therefore support the UK Link manual delivery date of 13th October 2017.

Self-Governance Statement: *Please provide your views on the self-governance statement.*
