Support or oppose implementation?	Support
Relevant Objective:	f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

We support the modification as it is intended to address the gap between the previous legal text for the Nexus suite of mods and the agreed BRDs.

Self-Governance Statement: *Please provide your views on the self-governance statement.*

We agree with the self-governance statement

Implementation: *What lead-time do you wish to see prior to implementation and why?*

Since this is to address gaps between solutions and previous versions of the modifications delivering the BRDs, we would like this implemented as soon as possible.

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

No additional costs are envisaged for this modification

Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

Yes

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

No

Please provide below any additional analysis or information to support your representation

None
