Support or oppose implementation?	Support
Relevant Objective:	f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

We support the migration of the MDD information for Market Participants into the UNC and subsequently the management via the DSC.

Implementation: What lead-time do you wish to see prior to implementation and why?

We support the implementation of the SPAA, UNC, IGT and DSC changes delivering together in February 2020, ensuring migration of obligations between the codes and the readiness of the activities by the CDSP.

Impacts and Costs: What analysis, development and ongoing costs would you face?

No material costs identified, some minor IT process costs changes to update location extraction of the data.

Legal Text: Are you satisfied that the legal text will deliver the intent of the Solution?

We are comfortable with the legal text and have no additional comments.

Are there any errors or omissions in this Modification Report that you think should be taken into account? Include details of any impacts/costs to your organisation that are directly related to this.

Nothing additional to add.

Please provide below any additional analysis or information to support your representation
