It is proposed that this Modification seeks to change the definition of Agreed Target Quantity in the Interconnection Agreement between National Grid Gas plc and GNI (UK) Ltd.

#### **Topics for Discussion**

- Understanding the objective
- How the protections are put into place for consequential impact and are the Modification Rules appropriate for this and is there an alternative solution?
- Workgroup to discuss if this should come back to Panel for consideration if Self-Governance.
- Assessment of alternative means to achieve objective
- Development of Solution (including business rules if appropriate)
- Identification of potential impacts on other energy codes
- Assessment of potential impacts of the modification
- Assessment of implementation costs
- Assessment of legal text.

#### **Output**

To produce a Workgroup Report, for submission to the UNC Modification Panel, containing the assessment and recommendation(s) of the Workgroup.

#### **Composition of Workgroup**

The Workgroup is open to any party that wishes to attend or participate.

A Workgroup meeting will be quorate provided at least two Transporter and two Shipper User representatives are present.
