Organisation:	SSE Energy Supply Limited
Date of Representation:	07 May 2020
Support or oppose implementation?	Support
Relevant Objective:	c) Positive f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

SSE Energy Supply Limited is in support of this modification as it will rationalise the Transporter Theft of Gas reporting, as currently measures are duplicated across codes. It will provide clarity to the whole process and provide improved data quality, and will also be beneficial to the development of the Retail Energy Code.

Self-Governance Statement: *Please provide your views on the self-governance statement.*

We believe that the modification meets the self-governance criteria.

Implementation: *What lead-time do you wish to see prior to implementation and why?*

The modification should be implemented as soon as possible in line with self-governance timescales.

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

None identified.

Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

Yes.

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*
