Date of Representation:	09/01/2019
Support or oppose implementation?	Support
Relevant Objective:	f) Positive

**Reason for support/opposition:** Please summarise (in one paragraph) the key reason(s)

**Self-Governance Statement:** *Please provide your views on the self-governance statement.*

Accurate identification of the premises that require the installation of alternative HAN solutions will be critical to the economic and efficient rollout of Alt HAN to consumers, enabling more of them to access the benefits of smart metering.

We support this modification and the sharing of relevant information with Alt HAN Co in the most efficient manner, in to support this activity

**Implementation:** *What lead-time do you wish to see prior to implementation and why?*

We would not require any lead time prior to the implementation of this modification.

**Impacts and Costs:** *What analysis, development and ongoing costs would you face?*

We would not incur any development or ongoing costs as a result of the implementation of this modification.

**Legal Text:** *Are you satisfied that the legal text will deliver the intent of the Solution?*

We agree that the legal text will deliver the intent of the modification.

**Are there any errors or omissions in this Modification Report that you think should be taken into account?** *Include details of any impacts/costs to your organisation that are directly related to this.*

We have not identified any errors or omissions in this Modification Report.

**Please provide below any additional analysis or information to support your representation**
