Your Reference: UNC Modification Proposal 0710S

UNC Modification Proposal 0710S - CDSP provision of Class 1 read service

Dear Bob,

Thank you for your invitation seeking representations with respect to the above Modification Proposal which Cadent supports.

Do you support or oppose implementation?

Support

Relevant Objective:

- d) Positive
- f) Positive

Reason for support/opposition:

The modification, if implemented, would further the Relevant Objectives by

- Giving Shippers more collective control over the current DM service and could allow for innovative approaches to future service provision
- Providing for a common service inc a single common charge across all DNs

Implementation

We agree with the proposers (and Workgroups) implementation date of 1 June 2021 given the required system changes and novation of contracts which would be required.

Impacts and Costs

No material impacts or costs on Cadent are expected.

Legal Text

We are satisfied that the Legal Text meets the intent of the modification.

Are there any errors or omissions in this Modification Report that you think should be taken into account?

We have not identified any errors or omissions.

Please provide below any additional analysis or information to support your representation

Nothing further to add.

We trust that this information will assist in the compilation of the Final Modification Report. Please contact me on 07884 113385 (andy.clasper@cadentgas.com) should you require any further information.

Yours sincerely,

Andy Clasper
