UNC Modification Proposal 0656 - Changes to Modification Panel arrangements

Dear Bob,

Thank you for your invitation seeking representations with respect to the above Modification Proposal which Cadent would like to support.

Do you support or oppose implementation?

Support

Relevant Objective:

f) Positive

Reason for support/opposition:

The modification effectively addresses two issues, member conflicting appointment and attendance at Panel either by the Panel Member or Alternate. We are supportive of the modification as we agree with the proposer's view that Relevant Objective F is met through greater Panel transparency and clarifying arrangements for Alternates.

Self-Governance Statement:

We agree with the Self-Governance Statement within the modification that this is a material change to the UNC and therefore requires Authority direction.

Implementation

We concur that this Modification Proposal can be implemented immediately following Authority direction.

Impacts and Costs

No impacts or costs have been identified.

Legal Text

We are satisfied that the Legal Text provided by ourselves meets the intent of the solution.

Are there any errors or omissions in this Modification Report that you think should be taken into account?

We have nothing further to add.

Please provide below any additional analysis or information to support your representation

We have nothing further to add.

We trust that this information will assist in the compilation of the Final Modification Report. Please contact me on 07884 113385 (andy.clasper@cadentgas.com) should you require any further information.
