<b>Support or oppose implementation?</b>	Support
<b>Relevant Objective:</b>	<b>d)</b> Positive

**Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)**

We support the proposed modification as we agree that it will help avoid the assignment of default WAR bands, and may also reduce UIG.

**Implementation:** *What lead-time do you wish to see prior to implementation and why?*

We request a minimum of 6 months lead time for implementation.

**Impacts and Costs:** *What analysis, development and ongoing costs would you face?*

There may be impacts and costs associated with possible internal system or process changes, however if it is difficult to quantify these at this time.

**Legal Text:** *Are you satisfied that the legal text will deliver the intent of the Solution?*

Yes.

**Are there any errors or omissions in this Modification Report that you think should be taken into account?** *Include details of any impacts/costs to your organisation that are directly related to this.*

No.

**Please provide below any additional analysis or information to support your representation**

N/A
