#### Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

SGN supports this modification proposal which will enable the transition and implementation of the Retail Energy Code therefore furthering relevant objective f. It also furthers relevant objective d. in such that the Faster Switching Programme will increase competition between Suppliers.

#### Self-Governance Statement: Please provide your views on the self-governance statement.

SGN support the self-governance statement due to its transitional nature.

#### Implementation: What lead-time do you wish to see prior to implementation and why?

Implementation should align to the Faster Switching Programme and Retail Energy Code planned for implementation on the 18th July 2022.

#### Impacts and Costs: What analysis, development and ongoing costs would you face?

No ongoing impacts or costs have been identified.
