

MODIFICATION 0793S

DETERMINATION OF CHARGING AREA CVS (DAILY CVS) – MODIFICATION OF CALCULATION PROCESS ARRANGEMENTS

LEGAL TEXT - EXPLANATORY TABLE

UNC Section	Reference	Explanation
Offtake Arrangements Document		
Section F – Determination of Calorific Value		
	Amended paragraph 1.1.1 (c)	Removal of “National Grid NTS” as the party who will determine daily CV’s to the “DNOs”
	Amended paragraph 1.2 (b)	Clarifies that some CV’s are declared and not provided on a daily basis as per 4A of the Regulation.
	New paragraph 1.4	Establishes the inclusion of determining the daily CV as an Agency Function under the CDSP.
	Amended paragraph 2.2.2	Clarifies the DNO position in Minimisation of CV Shrinkage.
	Amended paragraph 3.1.1	Removes the provision for “National Grid NTS” to use the data between parties for the purpose of determining the daily CVs.
	New paragraph 3.1.2	Establishes that “National Grid NTS” shall inform “DNOs” of changes within the NTS that may impact the “Attribution Map”.
	New paragraph 3.1.3	Establishes that “National Grid NTS” and “DNOs” will collaborate to make suitable changes to the “Attribution Map”.
	Amended paragraph 3.2.1 (b)	Removes “National Grid NTS” permitted use of determining daily CVs.
	Amended paragraph 3.2.2 (b)	Provides “DNOs” with the ability to impose a reasonable charge on “National Grid NTS” for CV data provided.
	Deletion of 4.1	Deletion of 4.1 Determination of Daily CVs in its entirety removes the obligation on “National Grid NTS” in determining the daily CVs on behalf of “DNOs” as per their election to terminate the service.
	Amended paragraph 4.2 to 4.1 Heading	Number change to accommodate for the deletion of 4.1
	Amended paragraph 4.2.1 (a) to 4.1.1 (a)	Number change to accommodate for the deletion of 4.1

		Removes “National Grid NTS” as the party who will receive the CV data from “DNOs”.
	Amended paragraph 4.2.1 (b) to 4.1.1 (b)	As per above.
	New paragraph 4.1.2	Establishing that “National Grid NTS” provide the relevant information for points on the NTS impacting the determination of the daily CV to “DNOs”.
	Deletion of 4.2.2	Removes the processes referenced in 4.2.1 regarding DNOs provision of data to “National Grid NTS” in relation to their determination of daily CVs.
	Deletion of 4.2.3	Removes the processes associated with “National Grid NTS” determination of daily CVs.
	Deletion of 4.2.4	Removes the obligation on “National Grid NTS” to provide the daily CV determined by them to “DNOs”.
	Amended paragraph 4.2.5 to 4.1.3	Provides the CDSP no responsibility as the service provider in determining the daily CV on behalf of DNOs.
	Amended paragraph 4.3 to 4.2 Heading	Number change to accommodate for the deletion of 4.1
	Amended paragraph 4.3.1 to 4.2.1	Amends “National Grid NTS” with the CDSP and provides them with the relevant notice in relation to changes.
	Amended paragraph 4.3.2 to 4.2.2	-
	Deletion of 4.3.3	Removes the ability of “National Grid NTS” to charge for any changes to the determination of the daily CVs as per the removal of the service.
Transportation Principal Document		
Section C – Nominations		
	Amendment to 1.6	Amends the obligated party from “Transporter” to “DNO” reflecting the Party who will make the Calorific value information available to industry parties.
General		
Defined Terms Listing	New defined terms included	New defined term of “Attribution Map”.

Offtake Communications Document		
Appendix 1. Information Requirements Summary	Amended F3.2.2 (b)	Amendment to the “Reason for information exchange” to allow for the clarification of charging in OAD Section F 3.2.2 (b)
	Deletion of F4.2.1 (a)	Consequential removal as a result of UNC Mod0793S
	Deletion of F4.2.1 (b)	Consequential removal as a result of UNC Mod0793S
	Deletion of F4.2.1 (c)	Consequential removal as a result of UNC Mod0793S
	Deletion of F4.2.4	Consequential removal as a result of UNC Mod0793S
