

AUGE Monthly Industry Report

Date: 3rd June 2021

DOCUMENT CONTROL

Reporting Period: May 2021

Prepared by: Chris Hill

OVERVIEW

The purpose of this document is to keep stakeholders informed of activities and interactions carried out by the AUGE during the relevant month and to provide an update on progress with regard to delivery of the AUGE Service.

Key points:

- ▶ We have commenced the creation of our overall methodology and approach for the 2022-2023 Gas Year Draft AUG Statement and Table.
- ▶ We have almost completed our initial assessment and are in the process of finalising the investigation topics for the 2022-2023 Gas Year.
- ▶ We will present a summary of our overall methodology and approach and our initial assessment for the 2022-2023 Gas Year at the AUG Sub-Committee meeting scheduled for 2nd July.
- ▶ Dates have now been confirmed for the AUG Sub-Committee meetings in relation to the Statement process for the 2022-2023 Gas Year, please find a link to relevant page on the Joint Office website: <https://www.gasgovernance.co.uk/aug>.
- ▶ We submitted our response to Xoserve's Review of the 2020-2021 AUG Expert Year consultation on 17th May.
- ▶ An Extraordinary AUG Sub-Committee meeting to discuss the full list of potential innovations with industry took place on 13th May. At that meeting we requested that stakeholders provide scoring for each potential innovation, which should be returned by 7th June. Please find a link to the relevant documentation here: <https://www.gasgovernance.co.uk/aug/130521>.

The AUGE is open to engagement with all stakeholders. Any interaction will be logged and conducted in accordance with our principles of transparency and objectivity. Please contact us at auge@engage-consulting.co.uk.
