**Date:** 9<sup>th</sup> April 2018  
**Our reference:** 1<sup>st</sup> Draft AUGS for 2018/19

Dear Colleague

During the consultation process of for the First Draft AUG Statement for Gas Year 2018/19, a number of responses were received. The comments received and the AUGS responses are now published on the Joint Office of Transporters website.

In addition, during the presentation of the AUGS in February, there was a question concerning the consumption calculation success rates. Details of the results of this are also provided in an accompanying letter.

The responses will be presented and discussed at an industry meeting on 17<sup>th</sup> April.

Sincerely  
for DNV GL

Clive Whitehand  
Head of Section, Solution Development
