Dear Colleague

The 1st draft AUG Statement for 2018/19 is now published for consultation which will end at 5pm on 14th March 2018.

The AUG Expert will attend and present a summary of the 1st Draft AUG Statement for 2018/19 at an industry meeting on Friday 9th February. The details can be found on the Joint Office of Transporters event diary. This is an opportunity for an initial Q&A session to clarify particular points set out in the statement before submitting consultation responses.

To enable us to investigate issues raised during consultation, particularly those that may require additional data or analysis to resolve, we request that any responses are submitted as early as possible. Queries arising can be sent to the AUG mailbox, AUGE.software@dnvgl.com.

Sincerely
for DNV GL
