

Dear Colleague,

2014 Annual Interruption Tender Process – Scotia Gas Networks Published Results

Due to the low number of interruptible tenders and the resulting inability to acquire sufficient interruptible capacity, no DN Interruptible Summary Reports will be published by Scotia Gas Networks for the 2014 Annual Interruption Tender.

In accordance with Unified Network Code, Transportation Principle Document Section G (Supplies) paragraph 6.4.3, the summary Report by location (SRL file) relies on there being awarded contracts for at least three (3) Users in a location to ensure a level of anonymity. As there were no contracts awarded, this criteria was not met and therefore the SRL file cannot be issued.

The same information can be found in the link below or by visiting the Scotia Gas Networks website at [www.scotiagasnetworks.co.uk](http://www.scotiagasnetworks.co.uk) under Connections/Interruption

Scotia Gas Networks will continue to invite tenders in future years.

In the meantime if you require any further assistance please do not hesitate to contact either: Leyon Joseph on 02380 816730 or Scott Duncan on 01293 818256.

Yours Sincerely,

Leyon Joseph  
LTS Analysis Manager
