

Efficiency Review 2023

CoMC Feb-23

Working Group 1st February - Summary

- Well attended - representatives from all DSC constituencies
- Refresher of the outputs from the last review (2019/20) and customer benefits of the creation and sale of Correla
- Broad consensus over the key objectives for a 2023 review exercise:
 - Assurance that CDSP services remain efficient
 - DSC-funded aspects of the CDSP budget in scope
 - Activity should be appropriately sized and become a periodic (annual) repeatable exercise
 - 2023 activity should conclude before BP24 is presented
