Dear Colleague,

### **2008 Annual DN Interruption Tender Process - Published Results**

In accordance with UNC TPD Section G paragraph 6.4.3, the Distribution Network Operators have, published the results from the 2008 annual DN Interruption tender process.

These results can now be found on the Joint Office website via this link  
<http://www.gasgovernance.com/industryinfo/int/>

The Distribution Network Operators also intend to tender for more Interruption in some zones through a DNI ad hoc tender and will be inviting offers in early October 2008. Final details have still to be agreed but the anticipated schedule for this process is as follows:-

4<sup>th</sup> August 2008 - Preliminary Eligibility Files issued by xoserve

8<sup>th</sup> September 2008 - Interruption Invitation issued and each DN will formally publish its interruption requirements for Ad hoc tender process.

13<sup>th</sup> October 2008 - Bid window opens for 10 working days.

21<sup>st</sup> November 2008 - DN's publish results of the Ad hoc tender process

In order to give details of the first DNI annual tender process and to outline details of the proposed DNI ad hoc tender, the Distribution Network Operators are planning to hold a seminar for Shippers and customer representatives on the 19<sup>th</sup> August 2008 in London, details of which will be published through the Joint Office of Gas Transporters.
