

**0797 (Urgent) - Last
Resort Supply
Payments Volumetric
Charges -
Legal Text Update**

April 2022

Background

- ▶ Modification 0797 (Urgent) - Last Resort Supply Payments Volumetric Charges Legal Text included an update to Transition Document Part IIC - Transitional Rules by adding a new paragraph 28.
- ▶ A new paragraph 28 has already been added to TDIC under a previous Code Update.

Solution

- ▶ Sequentially as the previous update has taken precedence, we would like to propose renumbering the new paragraph being added to TDIC under Modification 0797 (Urgent) from 28 to 29.
- ▶ The Legal Text for Modification 0797 (Urgent) does not have any cross-references to other parts of the UNC and we do not see any unintended consequences from changing the number of the above paragraph.
