Support or oppose implementation?	Support
Relevant Objective:	f) Positive

Reason for support/opposition: Please summarise the key reason(s)

NGN supports this modification as it will ensure that the UK Link manual reflects the Project Nexus and FGO changes.

Self-Governance Statement: *Please provide your views on the self-governance statement.*

We agree that this modification is suitable as self-governance.

Implementation: *What lead-time do you wish to see prior to implementation and why?*

We agree that this modification should follow the implementation procedure for self-governance modifications.

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

We agree that the costs for this update should have been included under Project Nexus and Modification 0565A, and that there should be no cross-code impacts.

Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

We agree that the legal text is reflective of the modification solution.

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

Please provide below any additional analysis or information to support your representation
