Support or oppose implementation?	Support
Relevant Objective:	f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

This modification creates a new UK Link Manual that reflects the changes resulting from the implementation of Xoserve Funding Governance and Operation changes on 1st April 2017 and Project Nexus implementation on 1st June 2017.

Self-Governance Statement: *Please provide your views on the self-governance statement.*

We agree that this modification is suitable for Self-Governance as the new manual reflects changes introduced by other Authority decision modifications and therefore this modification in itself will not have a material impact on any of the relevant criteria.

Implementation: *What lead-time do you wish to see prior to implementation and why?*

Implementation should be 16 business days after a Panel decision to implement.

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

None

Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

Yes

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

Please provide below any additional analysis or information to support your representation
