Date of Representation:	10 th August 2017
Support or oppose implementation?	Support
Relevant Objective:	d) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

SGN is supportive of this modification as it creates arrangements to increase the submission of valid meter reads which will have a positive impact upon settlement accuracy.

Implementation: *What lead-time do you wish to see prior to implementation and why?*

We would encourage implementation at the earliest date possible in order for the benefits to be achieved.

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

No impacts or costs have been identified.

Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

Yes

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

No

Please provide below any additional analysis or information to support your representation

N/A
