5. **Date of Representation:** 26<sup>th</sup> April 2020
6. **Do you support or oppose Implementation:**  
We **Support** implementation of the Modification
7. **Please summarise (in 1 paragraph) the key reason(s) for your position:**  
The additional volatility in UIG as a result of COVID 19 is being driven by the inability of the NDM algorithms to respond agilely to the unprecedented situation. This proposal enables those sites to be removed from NDM profiling.
8. **Are there any new or additional Issues for the Modification Report:**  
No
9. **Self-Governance Statement Do you agree with the status?**  
NA

**10. Relevant Objectives:**

*How would implementation of this modification impact the relevant objectives?*

We **agree** with the proposer that this modification is positive in respect of Relevant Objective **(a)**

**11. Impacts & Costs:**

*What analysis, development and on-going costs would you face if this modification was implemented?*

We **have not** identified any significant costs associated with this modification

**12. Implementation:**

*What lead times would you wish to see prior to this modification being implemented, and why?*

Owing to the continuing problem of large numbers of sites being allocated gas consumption when vacant, this change needs to be implemented as soon as possible

**13. Legal Text:**

*Are you satisfied that the legal text will deliver the intent of the modification?*

We have **no** comments on the Legal Text provided.

**14. Is there anything further you wish to be taken into account?**

*Please provide any additional comments, supporting analysis, or other information that you believe should be taken into account or you wish to emphasise.*

No
