<p>0800 - Introducing the concept of a derogation framework into Uniform Network Code (UNC) (Authority Direction)</p> <p>https://www.gasgovernance.co.uk/0800</p> <p>Tracey Saunders, Northern Gas Networks</p> <p>This Modification seeks to introduce a framework for derogation as a concept in the Uniform Network Code (UNC), defining when and how these can be requested (Use Cases), as well as the process around consideration and approval or rejection of derogation requests. Also includes a Use Case for 'Net Zero Innovation' including the parameters, and evidence required. This includes changes from Modification 0760 in accordance with Ofgem's rejection letter.</p>	<ul style="list-style-type: none"> • Should this Modification be issued for Consultation closing on 08 April and be considered at the April 2022 Panel? 	<ul style="list-style-type: none"> • Panel determined this Modification should proceed to Consultation ending 07 April 2022.

<p>0802S – Clarification of ‘Annual Update’ for impacted Users in relation to CNCCD Election(s)</p> <p>https://www.gasgovernance.co.uk/0802/</p> <p>Laura Johnson, National Grid</p> <p>This UNC Modification proposal clarifies which Users receive the ‘annual update’ for the Conditional NTS Capacity Charge Discount (CNCCD) product. Should a ‘live’ election become ineligible, or the discount level is to change, only those impacted Users will receive an update via the ‘annual update’. This process ensures that when an impacted User receives the ‘annual update’ file, they are informed that something has changed which will impact their CNCCD Election for the following Gas Year and serves as a prompt to consider any actions they may need to take with regards to the impacted ‘live’ CNCCD Election(s).</p>	<ul style="list-style-type: none"> Should this Modification be issued for Consultation closing on 08 April and be considered at the April 2022 Panel? 	<ul style="list-style-type: none"> Panel determined this Modification should proceed to Consultation ending 07 April 2022.
