## Response Arrangements Webinar:

**11:00 8<sup>th</sup> September 2022**

Tom Wilcock, System Operations Emergency and Compliance Manager is holding a webinar to refresh the Energy Industry's understanding of how a gas supply shortage is managed by the Industry. This is part of a series of assurance and awareness events leading into winter, including the delivery of the annual Network Emergency Coordinator (NEC) Industry Exercise, 'Degree'.

The webinar will include:

- An overview of revised processes
- A walk-through of initial steps taken to mitigate a deficit of gas
- A refresh of the Network Gas Supply Emergency (NGSE) strategy
- An opportunity for Q&A
