

## **Proposed Revision to the Distribution System Management Principles Statement**

### **Consultation by National Grid February 2007**

#### **Summary**

This consultation seeks views on proposed amendments to the Distribution System Management Principles (DSMP) Statement. The version (2.0) of the DSMP Statement was approved by the Authority and became effective on 1st May 2006.

Changes to the DSMPS relate to house-keeping and include company re-branding.

#### **Consultation Process and Timescales**

This consultation is being carried out in accordance with National Grid Distribution Licence and detailed in Special Condition D5 paragraph 7(a). The consultation period will be for 28 days.

Further to this consultation National Grid Distribution will produce a report on the consultation and submit this together with the revised DSMPS to the Authority in accordance with its GT Licence Special Condition C5 paragraph 7(b).

The timescales are as follows:

- National Grid Distribution issues consultation 26<sup>th</sup> February 2007
- Closing date for responses 26<sup>th</sup> March 2007
- National Grid Distribution publishes report to Authority 30<sup>th</sup> March 2007.

#### **Views Sought**

National Grid would welcome your views on the proposed changes. Please ensure that National Grid receives any responses to this consultation by 16:00 on Monday 26<sup>th</sup> March 2007.

Responses should be sent electronically to [william.a.bedborough@uk.ngrid.com](mailto:william.a.bedborough@uk.ngrid.com) or by post to:
