Transporer Report:
 - Data reflects activity as recorded in the Transporer Asercv systems (Contract Management System (CMS)).
 - Open data related to activity within the oceanographic area or responsibility of each Transporer and related instances which are the responsibility of the registered Shipper to resolve.
 - Total volume was obtained from CMS prior to any validation.
 - Closed data reflects activity that is likely to be a Transporer reasonable activity at the time of system closure of the case.
