Mod 047 'Additional Data Requirements for DM Capacity Referrals'

Dear Julian,

On behalf of RWE npower I would like to thank you for the opportunity to respond to this Modification Proposal.

We are happy to support this proposal as it would appear to improve the efficiency of processing DM Capacity referrals without due complexity. In addition it gives Users confidence that their requests for changes to a site's capacity will be dealt with in a timely fashion.

If you wish to discuss our response please don't hesitate to contact me.

Yours sincerely,

Simon Howe.
Gas Network Codes Manager
