Modification Proposal 0127: Introduction of a DN Pensions Deficit charge on DNO Users

Dear Julian

WWU supports the implementation of the above Modification proposal.

The proposal is an enabling modification allowing for any DN Pensions Deficit Charge to be levied using section S of the UNC. Its implementation is conditional on the acceptance of the Pricing Consultation Paper (NTS GCM02). This UNC proposal anticipates an implementation date ahead of 1 April 2007 when such charges would be first incurred by DNs.

Yours sincerely
