Dear Julian

**Modification Proposal 0132**

Thank you for providing Scottish and Southern Energy plc (SSE) with the opportunity to comment on the above modification proposal.

SSE is supportive of this proposal.

Implementation of this proposal should clarify Supply Point Confirmation notice requirements and thereby increase certainty, thus securing effective competition between Shippers.

SSE agree with the Proposer that the current wording used in UNC TPD Section G 2.5.8(c) is misleading. Implementation of this modification will give greater clarity on the requirements for Supply Point Confirmations (as detailed in UNC TPD Section G 2.5.8(a) & 2.5.8(b)) and ensure that only Special Metering Supplying Points are subject to the two month notice period.

Yours sincerely
