Dear Julian

**UNC Proposal : 0167 Changes to Reconciliation Arrangements under CSEP  
NExA**

Thank you for the opportunity to comment on the above proposal.

Northern Gas Networks support the implementation of 0167. This proposal has been discussed at a number of Ofgem led meetings in recent weeks and offers a pragmatic solution to an accepted problem within the reconciliation process.

This proposal forms part of a longer term commitment from GDNs, IGTs and Shippers to improve on the existing processes impacted by CSEP NExA clauses.

Yours sincerely
