Mod 0233V: Changes to Outstanding Energy Balancing Indebtedness Calculation

Dear Bob,

Just as we supported the implementation of Mod 233, we support the implementation of Mod 233V. We believe that the changes introduced in this variation do not change the intention of the original mod. Those changes provide additional clarity, which should remove any uncertainty about how the process should operate.

Yours sincerely,

Simon Howe.  
Gas Network Codes Manager
