Dear John,

Re: UNC Modification Proposal 0233V - Changes to Outstanding Energy Balancing Indebtedness Calculation

E.ON UK **supports** implementation of this Modification Proposal.

Although Modification Proposal 0233 has since been withdrawn and a variation raised (0233V), our reasons for supporting this proposal have not changed. We believe the varied proposal adds clarity to the original and continues to better facilitate the relevant objectives, for the reasons detailed in our response to Mod 0233.

Yours sincerely

Richard Fairholme (by email)
