Do you support or oppose implementation?

Support

Please summarise (in one paragraph) the key reason(s) for your support/opposition.

We believe Modification 0229 was clear in its prospective nature. Modifications 0339 and 0340 seek to create retrospection and therefore would, if implemented, undermine the intent of Modification 0229. Modification 0366 provides clarification which is consistent with the intent of Modification 0229.

Are there any new or additional issues that you believe should be recorded in the Modification Report?

No

Relevant Objectives:

Impacts and Costs:

Implementation:

We would like to see appropriate clarification provided ASAP.

Is there anything further you wish to be taken into account?
