Do you support or oppose implementation?

Neutral

Please summarise (in one paragraph) the key reason(s) for your support/opposition.

Whilst we do not oppose the publication of AQ Appeal information we cannot identify how it can meaningfully improve the process as there are many other variables to be considered. We have some concerns that conclusions may be drawn erroneously which may outweigh any perceived benefits therefore our position is neutral.

Are there any new or additional issues that you believe should be recorded in the Modification Report?
