Do you support or oppose implementation?

Support/Qualified Support/Neutral/Not in Support/Comments* *delete as appropriate*

Please summarise (in one paragraph) the key reason(s) for your support/opposition.

The implementation of this Modification would allow MAM's to contact the supplier and establish the correct data and commercial records as necessary. The modification may also improve the quality of data on industry participant systems and reduce the risk of duplicate records.

Are there any new or additional issues that you believe should be recorded in the Modification Report?

None identified.

Self Governance Statement:

Do you agree with the Modification Panel's decision that this should be a self-governance modification?

Yes

Relevant Objectives:

How would implementation of this modification impact the relevant objectives?

Implementation of this Modification would better facilitate Relevant Objectives d) and e) in reducing the administration and costs between supplier and MAM during the change of supplier process. The provision of more accurate data is likely to benefit Suppliers meeting their obligations for Standards of Service.
