Do you support or oppose implementation?

Support

Please summarise (in one paragraph) the key reason(s) for your support/opposition.

This modification proposes to remove National Grid's requirement to publish the Firm Gas Monitor. As this Monitor is no longer relevant following the implementation of MOD0090 and MOD0195AV SGN supports the modification.

Are there any new or additional issues that you believe should be recorded in the Modification Report?

No

Self Governance Statement:

Do you agree with the Modification Panel's decision that this should be a self-governance modification?

Yes

Relevant Objectives:

How would implementation of this modification impact the relevant objectives?

SGN agrees with the proposer that that modification better facilitates relevant objective f) by removing a process which no longer adds value.

Impacts and Costs:

What analysis, development and ongoing costs would you face if this modification were implemented?
