0414S: Discontinuation of ANS usage for Interruption Communications by Transporters

Date referred from Panel:

16 February 2012

Background – Why Change?

Please refer www.gasgovernance.co.uk/0414

Solution

It is proposed to remove the transporter obligation to use the Active Notification System for the revised interruption communications process in the UNC and UK Link Manual.

Topics for Discussion

- Understanding the objective
- Assessment of alternative means to achieve objective
- Development of Solution (including business rules if appropriate)
- Assessment of potential impacts of the modification
- Assessment of implementation costs
- Assessment of legal text.

Outputs

Produce a Workgroup Report for submission to the Modification Panel, containing the assessment and recommendations of the Workgroup.

Composition of Workgroup

The Workgroup is open to any party that wishes to attend or participate.

A Workgroup meeting will be quorate provided at least two Transporter and two User representatives are present.

Meeting Arrangements

Meetings will be administered by the Joint Office and conducted in accordance with the Code Administration Code of Practice.
