0422: Creating the permission to release data to Meter Asset Provider organisations

Date referred from Panel: 17 May 2012

Background – Why Change?

Please refer to www.gasgovernance.co.uk/0422

Solution

The solution is an amendment to UNC TPD Section V5 (Protected Information) to permit the release of the data in question to an enquiring MAP. The enquiring MAP must submit the MPRN to receive the data.

The MAP organisations are held on SPAA market domain data:

<http://www.spaa.co.uk/documents/mdd/current-version>

Only organisations held within the SPAA records will be permitted to receive the information.

Topics for Discussion

- Understanding the objective
- Assessment of alternative means to achieve objective
- Development of Solution (including business rules if appropriate)
- Assessment of potential impacts of the modification
- Assessment of the potential impacts of dual governance between UNC and SPAA.
- Assessment of implementation costs
- Assessment of legal text.

Outputs

Produce a Workgroup Report for submission to the Modification Panel, containing the assessment and recommendations of the Workgroup.
