Draft Modification Report

0431: Shipper/Transporter – Meter Point Portfolio Reconciliation

Consultation close out date: 12 December 2013
Respond to: enquiries@gasgovernance.co.uk
Organisation: DONG Energy Sales UK
Representative: Lorna Lewin
Date of Representation: 12 December 2013

Do you support or oppose implementation?

Support

Please summarise (in one paragraph) the key reason(s) for your support/opposition.

We support the intention of this modification which seeks to reduce the number of shipperless and unregistered sites. In addition this modification will improve the accuracy of the data held on Xoserve's system.

Are there any new or additional issues that you believe should be recorded in the Modification Report?

No

Self Governance Statement:

Do you agree with the Modification Panel's decision that this should not be a self-governance modification?

*Are you in agreement with the decision to remove the Self-Governance status from this modification? If not, please state reasons why *delete*

Yes.

Relevant Objectives:

How would implementation of this modification impact the relevant objectives?

Identification of unregistered/shipperless sites from the portfolio reconciliation will reduce unidentified gas costs to shippers by apportioning the energy and transportation costs to the correct Shipper, which will positively impact relevant objective (d) Securing of effective competition between shippers and suppliers.

Impacts and Costs:

What analysis, development and ongoing costs would you face if this modification were implemented?

We have not identified all of the impacts of this modification and the associated costs, but the following is an indication of some of the changes required:

- Development of report
- System changes to manage transporter initiated registrations
- Process changes

Implementation:

What lead-time would you wish to see prior to this modification being implemented, and why?

We need at least 1 year lead-time for implementation to make the necessary changes to our systems and processes.

Legal Text:

Are you satisfied that the legal text will deliver the intent of the modification?

Yes

Is there anything further you wish to be taken into account?

Please provide any additional comments, supporting analysis, or other information that that you believe should be taken into account or you wish to emphasise.

No
