0437S - Retention of MAM Id in Transporter Systems at Change of Shipper

Date referred from Panel:

15 December 2012

Background – Why Change?

Please refer to www.gasgovernance.co.uk/0437

Solution

It is proposed that Transporter systems are amended to stop the deletion of MAM IDs provided by Shippers. By amending Transporter systems this will reduce the impact to incoming Suppliers where previous Suppliers / Shippers have failed to fulfil their obligations to provide MAM information. Suppliers through Shippers will retain the responsibility to provide MAM identity.

Topics for Discussion

- Understanding the objective
- Assessment of alternative means to achieve objective
- Development of Solution (including business rules if appropriate)
- Assessment of potential impacts of the modification
- Assessment of implementation costs
- Assessment of legal text.

Outputs

Produce a Workgroup Report for submission to the Modification Panel, containing the assessment and recommendations of the Workgroup.

Composition of Workgroup

The Workgroup is open to any party that wishes to attend or participate.

A Workgroup meeting will be quorate provided at least two Transporter and two User representatives are present.

Meeting Arrangements

Meetings will be administered by the Joint Office and conducted in accordance with the Code Administration Code of Practice
