Do you support or oppose implementation?

Support delete as appropriate

Please summarise (in one paragraph) the key reason(s) for your support/opposition.

SSE supports this modification. If implemented, Shipper Users and Trader Users will be able to trade the On-the-day commodity market (OCM) Daily Title product on the OCM market from 08:00 instead of 12:00 Day-ahead. This may help improve liquidity of power and spark trading.

Are there any new or additional issues that you believe should be recorded in the Modification Report?

No.

Self Governance Statement:

Do you agree with the Modification Panel's decision that this should be a self-governance modification?

Yes.

Relevant Objectives:

How would implementation of this modification impact the relevant objectives?

SSE agree with the views of the proposer.

Impacts and Costs:

What analysis, development and ongoing costs would you face if this modification were implemented?

Limited and proportional to the benefits.

Implementation:

What lead-time would you wish to see prior to this modification being implemented, and why?

SSE agree with the timings in the modification.
