#### Do you support or oppose implementation?

Support

#### Please summarise (in one paragraph) the key reason(s) for your support/opposition.

This modification will improve transparency on shippers' AQ review behaviour by increasing reporting to show the effects of amendments from the provisional AQ values, as calculated by Xoserve, to the final AQ values. It will also split reports between SSP and LSP supply points, showing activity in a clearer manner which will improve understanding of amendment activity between the two sectors.,

#### Are there any new or additional issues that you believe should be recorded in the Modification Report?

No.

#### Self Governance Statement:

*Do you agree with the Modification Panel's decision that this should be a self-governance modification?*

Yes.

#### Relevant Objectives:

*How would implementation of this modification impact the relevant objectives?*

We agree with the proposer that implementation of this proposal would better facilitate relevant objective (f) for the reason detailed within the modification.

#### Impacts and Costs:

*What analysis, development and ongoing costs would you face if this modification were implemented?*

None identified.

#### Implementation:

*What lead-time would you wish to see prior to this modification being implemented, and why?*

This modification could be implemented as soon as possible.
