

## Workgroup Terms of Reference

### 0531 - Title Provision and Development of Industry Testing Prior to Nexus Go-live

**Date referred from Panel:** 19 February 2015

#### Background – Why Change?

Please refer to [www.gasgovernance.co.uk/0531](http://www.gasgovernance.co.uk/0531)

#### Solution

This ‘transitional’ modification seeks to put an obligation on the Transporters to provide a testing system and regime that will provide flexibility to Shipper Users to support their testing requirements for Project Nexus. This will enable all parties to gain confidence that their systems are ready and capable of participating under the Nexus Arrangements from the implementation date and after.

#### Topics for Discussion

- Understanding the objective
- Assessment of alternative means to achieve objective
- Development of Solution (including business rules if appropriate)
- Assessment of potential impacts of the modification
- Assessment of implementation costs
- Assessment of legal text.

#### Outputs

Produce a Workgroup Report for submission to the Modification Panel, containing the assessment and recommendations of the Workgroup.

#### Composition of Workgroup

The Workgroup is open to any party that wishes to attend or participate.

A Workgroup meeting will be quorate provided at least two Transporter and two User representatives are present.

#### Meeting Arrangements

Meetings will be administered by the Joint Office and conducted in accordance with the Code Administration Code of Practice
