Support or oppose implementation?	Support/Oppose/Qualified Support/Comments * <i>delete as appropriate</i>
Relevant Objective:	d) Positive/Negative/None * <i>delete as appropriate</i> f) Positive/Negative/None * <i>delete as appropriate</i>

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

This modification will provide a more representative sample of meter supply points meaning that the accuracy of the demand estimation processes involved will be improved.

Self-Governance Statement: *Please provide your views on the self-governance statement.*

Agree.

Implementation: *What lead-time do you wish to see prior to implementation and why?*

Ideally at the same time as Nexus, or soon after.

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

None.

Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

Yes.

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

No.

Please provide below any additional analysis or information to support your representation

None.
