Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

This modification introduces changes required to implement the Ofgem final decisions resulting from its Code Governance Review phase 3 consultation in respect of self-governance and the Significant Code Review process. SSE is supportive of the changes identified.

Implementation of this modification will prevent Gas Transporters being in breach of Standard Special Licence Condition A11 in respect of the SCR process and Ofgem's decision in respect of self-governance.

Self-Governance Statement: *Please provide your views on the self-governance statement.*

We agree that the modification does not meet the self-governance criteria.

Implementation: *What lead-time do you wish to see prior to implementation and why?*

This modification should be implemented as soon as possible.

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

None identified.

Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

Yes.

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

No.

Please provide below any additional analysis or information to support your representation
