

Industry update from Ofgem – up to date as of 30 September 2020

RIIO-2 Informal licence drafting consultation for Transmission, Gas Distribution and Electricity System Operator licences

We are consulting on the proposed changes to the licence conditions required to implement the RIIO-2 price control settlement for the transmission companies, gas distribution networks and the electricity system operator. The consultation document and relevant subsidiary documents were published on 30 September 2020 at the link below.

Please send your responses to this consultation, including any attachments, to eilidh.alexander@ofgem.gov.uk by the closing date on 28 October 2020.
