2. **Respond to:** enquiries@gasgovernance.co.uk
3. **Organisation:** Gazprom Energy
5th Floor
8 First Street
Manchester
M15 4RP
4. **Representative:** Steve Mulinganie
Regulation Manager
stevemulinganie@gazprom-energy.com
0751 799 8178
0799 097 2568
5. **Date of Representation:** 12th December 2019
6. **Do you support or oppose Implementation:**
We **Support** implementation of the Modification
7. **Please summarise (in 1 paragraph) the key reason(s) for your position:**
We support this proposal as it ensures the Meter Read Frequency is set correctly.
8. **Are there any new or additional Issues for the Modification Report:**
Yes – As we have noted during the development of the proposals we feel that the automatic change of Meter Read Frequency should be reciprocal i.e. not only should it update when the AQ goes above 293,000 kWh it should also change automatically in the event that the AQ falls below 293,000 kWh
9. **Self-Governance Statement Do you agree with the status?**
Yes

10. Relevant Objectives:

How would implementation of this modification impact the relevant objectives?

We **agree/disagree** with the proposer that this modification is positive in respect of Relevant Objective **(d) Securing of effective competition**

11. Impacts & Costs:

What analysis, development and on-going costs would you face if this modification was implemented?

We **have not** identified any significant costs associated with this modification

12. Implementation:

What lead times would you wish to see prior to this modification being implemented, and why?

We agree that implemented as part of the June 2020 release seems reasonable

13. Legal Text:

Are you satisfied that the legal text will deliver the intent of the modification?

We have not reviewed the Legal Text provided.

14. Is there anything further you wish to be taken into account?

Please provide any additional comments, supporting analysis, or other information that you believe should be taken into account or you wish to emphasise.

No
