

## Legal Text & Commentary for Modification 0695S V2

A new clause will be inserted into TPD V which obligates Shippers to process all pass-through payments (statutory and non-statutory) to the relevant supplier within 10 business days of receipt from the Transporter so it can be passed on to the consumer.

A further clause will be inserted into TPD J to clarify that the above arrangements will also apply to compensation payments for 'Gas not made available for offtake' for LDZ Supply Points at Non-domestic Premises whose AQ exceeds 73,200 kWh per annum.
