Support or oppose implementation?	Support
Relevant Objective:	a) Positive c) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

SP support the introduction of a new Supplier of Last Resort (SoLR) customer charge which will improve the targeting and recovery of allowed costs that are associated with a SoLR event.

Implementation: *What lead-time do you wish to see prior to implementation and why?*

As directed by authority, solution option is yet to be agreed.

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

It's not clear what the cost would be faced until solution options as part of XRN4992 has been agreed.

Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

We note NGN's comments in their response, nothing further to add.

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

No identified

Please provide below any additional analysis or information to support your representation
